## Bouy Use Agreement

1. Buoys are used at the risk of the boat owner. The association assumes no responsibility for damage of any kind. ALL BOATS SHOULD BE FULLY INSURED.

2. All boats using buoys MUST have adequate lines. Boats under 20 feet must use line no smaller than 5/8ths inch. Boats over 20 feet must use line no smaller than 3/4ths inch Boat and line shall not exceed 40 feet

3. Arrangements must be made in advance for the amount of time the buoy is to be used.

4. The association may have removed, from the buoy area, and stored, any boat that is loose, in an unsafe condition, endangering other boats, or left at a buoy past the expiration date of the usage period specified below. The boat owner will be billed for towing and storage.

5. Owners of boats tied to the wrong buoy may be charged. If you have any problems in the bouy field, contact Amie Haskill at 525-1238 and she will strive to correct the problem.

6. The speed limit in the buoy field or within 300 feet of the shore is 5 MPH

7. Docking at the pier is limited to 10 minutes for loading and unloading only

8. Use of the dinghy is for boat owners only to and from their boats. It must be returned to the pier after use and not left on your buoy. Dinghy use is at your own risk and the association assumes no responsibility for its use. The dinghy is small and unstable and should only be used by one person at a time. No person under 18 is allowed to use the dinghy.
